## FOR IMMEDIATE RELEASE

### CLOSURES SCHEDULED ON PACIFIC COAST HIGHWAY FOR PAVING WORK (UPDATE)

**VENTURA COUNTY** – The California Department of Transportation (Caltrans) will close various northbound and southbound lanes on Pacific Coast Highway (SR-1), from Las Posas Road to Calleguas Creek, Wednesday, December 14 and Thursday, December 15, from 9 a.m. to 3 p.m., each day for pavement work and striping, weather permitting. At least one lane will remain open for alternating northbound and southbound traffic.

Caltrans advises motorists to reduce speed to 25 mph through the construction zone. Motorists are advised to expect traffic delays. Pilot cars and flaggers may be used as needed to guide vehicles through the construction area.

The \$3 million resurfacing project will result in a smoother riding surface for motorists and will extend the life of the road. Project completion is expected by winter 2005.

Caltrans reminds motorists to please remember to slow for the cone zone.
